

KILIMANJARO CHALLENGE

This is the price list for our 2019 & 2020 scheduled Open Kilimanjaro departures. The prices below are for both the Challenge Group format, with UK Leaders & Medics, and our Local Climb Groups.

STEP ONE: Registering for your challenge

The first step is to pay your REGISTRATION DEPOSIT. This secures your place on the event, and is non-refundable if you cancel your place.

STEP TWO: Choose your flight option

There are two options – flights included or land only.

Flights included means we will book your flights with the rest of the group, travelling on fixed dates.

Land only means you will book your own flights. The price of the package will be reduced accordingly.

STEP THREE: Pick your funding option

Once you have registered, there are 3 FUNDING OPTIONS for the balance of the trip cost:

Self-funded

You pay the registration deposit, then the full final balance

Sponsorship funded

You pay the registration deposit, and fundraise double the final balance. Your chosen charity pays us the final balance.

Mixed funding

A bit of both. You pay 50% of the trip cost (including the registration deposit). You also fundraise for your chosen charity, who will pay the other 50%

Single supplement

The standard package price is based on twin-shared hotels & tents. If you'd like a little more privacy during your challenge, you have two options:

- **Twin sharing:** Share a hotel room and tent. You can choose a friend to share with, or we will match you with someone of the same gender. **No extra cost**
- **Single Supplement (tent only):** A tent to yourself on the mountain - giving you extra space to stretch out. Total cost is £180, and is payable 10 weeks before departure. **A £50 deposit is payable at registration**
- **Single Supplement (hotel + tent):** A private hotel room, and a tent to yourself. Total cost is £300, and is payable 10 weeks before departure. **A £50 deposit is payable at registration**

Fuel surcharge

Due to fluctuating oil prices, we do not include the fuel surcharge element of your flight. This will be confirmed to you & invoiced along with your final balance 12 weeks before departure. See our website for more details.
